WISDOM

If any of you lack wisdom, let him ask of God . .
. and it shall be given him.
—James 1:5

Peace with God and the peace of God in a man's heart and the joy of fellowship with Christ have in themselves a beneficial effect upon the body and mind, and will lead to the development and preservation of physical and mental power. Thus, Christ promotes the best interest of the body and mind as well as of the spirit—in addition to inward peace, the development of spiritual life, the joy and fellowship with Christ, and the new strength that come with being born again. There are certain special privileges that only the true Christian can enjoy. There is, for example, the privilege of having divine wisdom and guidance continually.

Prayer for the day

Let me live so close to You, almighty God, that Your wisdom will invade my mind continually.

STEWARDSHIP THOUGHT "CHEERFUL GIVING"

"Let each one do just as he has purposed in his heart; not grudgingly or under compulsion; for God loves a cheerful giver." (2 Corinthians 9:7)

"Trusting God is one of the first steps toward overcoming Satan and becoming the cheerful giver the apostle Paul spoke about in today's Scripture verse. Trust stems from love toward God, which produces love toward others. Love toward others produces giving.

The great American minister, Jonathan Edwards, said, "Love will dispose men to all acts of mercy toward their neighbors when they are under any affliction or calamity . . . or we are naturally disposed to pity those we love when they are afflicted. It will dispose men to give to the poor, to bear one another's burdens, and to weep with those that weep, as well as to rejoice with those that rejoice."

This giving spirit was evident in the Philippians, who faithfully supported the ministry of the apostle Paul. By their support, these people were counted as fellow laborers in Paul's work.

By the same token, everything we do for others we also do for Christ." (*Cheerful Giving By Larry Burkett*)

In August, the Unified Budget giving of \$16,099 exceeded the actual expenditures by \$2,251 and giving for the year has exceeded expenditures by \$1,983. This was an excellent improvement for the second month in a row. We were able to put \$800 in Major Maintenance Savings to help replace some the funds expended from this account in last month. In September, \$777 was given to the One Great Hour of Sharing Offering to help the victims of Hurricane Harvey. Thanks to all who contributed towards this offering. May we always remember what we do for others that we also do for Christ. – Rich McCullum
